Registration expiry date

The registration expiry date is the end date for the annual registration period. Sometimes a practitioner will appear on the register with a registration expiry date that is in the past. This may be because their renewal application is still being finalised, or during a one month "late period" after the expiry date. However, they are still able to practise.

Date of first Registration in profession

05/01/2015

Registration Type - General

Registration Expiry Date
30/09/2026
